

WE'RE WORTH LOOKING INTO

Locally owned and operated Since 1975. Fort Glass is Eastern Ontario's most extensive glass business offering a full line of commercial, wholesale and retail glass, mirror and related products. We pride ourselves on the quality of our products and our after sales service. We invite you to visit our newly renovated showroom, which displays a wide selection of our beveled mirrors, glass shower door enclosures and top quality windows and doors along with the many other products we offer.

THE ULTIMATE LINE OF BEVELLED MIRRORS

EUROPEAN COLLECTION

All mirrors in this collection feature mirror overlay. We use only the highest grade float mirror of 5mm thickness. They are available in a variety of colour combinations of clear over clear or your choice of clear over tints of either grey, bronze, peach, blue, green or black. They are available in standard sizes, however can be custom made to suit your requirements.

Balmoral

Features our distinctive $\frac{3}{4}$ " bevel on all mirror edges.

Standard Sizes: 28" x 28"

Nottingham

Features $\frac{1}{2}$ " bevel on both exterior and interior mirror edges.

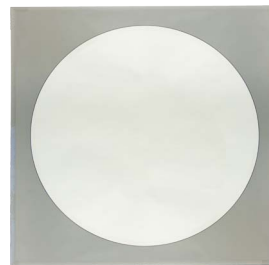

Standard sizes: 24" x 40"

Buckingham

Features 1" bevel on the exterior mirror with a choice of either polished edges or a bevel on the interior mirror.

Standard Sizes: 24" x 36"; 18" x 36"

Sandringham

A perfect circular mirror surrounded by a larger square mirror complete with a $\frac{3}{4}$ " bevel and your choice of either polished edges or a bevel on the interior mirror.

Standard Sizes: 28" x 28"

Dover

Features 1" bevel on the exterior mirror with a choice of either polished edges or a bevel on the interior mirror.

Standard Sizes: 24" x 36"; 18" x 36"

Windsor

Features a standard 1" bevel and can be custom made to suit any requirements.

Standard Sizes: 24" x 28"

Edinburgh

Features a 1" bevel all around the mirror edges.

Standard Sizes: 30" x 48"; 24" x 34"

Strips & Corners

Exterior mirror features a $\frac{1}{2}$ inch bevel, while the strips and corners feature $\frac{1}{2}$ " bevel all around.

Standard Sizes: 30" x 40"

Strips

Mirror strips add a decorative touch. The exterior mirror has a $\frac{1}{2}$ " bevel and the strips on the sides both have $\frac{1}{2}$ " bevel.

Standard Sizes: 30" x 40"

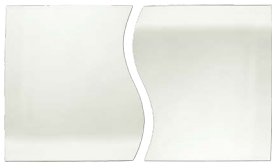

Centre Strips

The exterior mirror has a $\frac{1}{2}$ " bevel and strips in the centre have $\frac{1}{2}$ " bevels as well.

Standard Sizes: 30" x 30"

IMAGE COLLECTION

Mirrors in this collection are made of on the highest quality of 5mm thick clear mirror. Frosted borders are achieved by using a sandblasting technique, or for a more colourful look, borders can be painted. Our on-site shape and linear bevelling facility allows us to make many different designs. Below are a few of our standard mirrors, but feel free to send a sketch if you have other ideas.

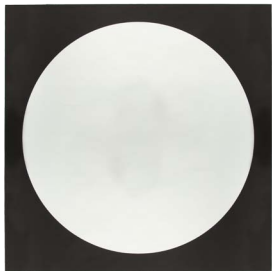

Cascade

36" x 60" mirror with 1" bevel on exterior edges. Polished edges on inside curve. These are often used in bathrooms over a double vanity.
